Tiles Per Box	20
Square Meterage Per Box	5m ²

Install Options:

Quarter Turn (1)

Brick (2)

POST INSTALLATION CARE

Due to the concentrated point-load created by the castors of office chairs, it's mandatory to use floor mats to ensure optimal carpet tile performance and the ongoing warranty of the carpet tiles. This is essential on cushion and acoustic backed products.

NOTE: Colours may vary from Printed Colour Brochure.

Specifications subject to normal manufacturing tolerances and may be changed without prior notice.
